TAKE THIS SHORT SURVEY TO HELP US PROTECT YOUR DRINKING WATER

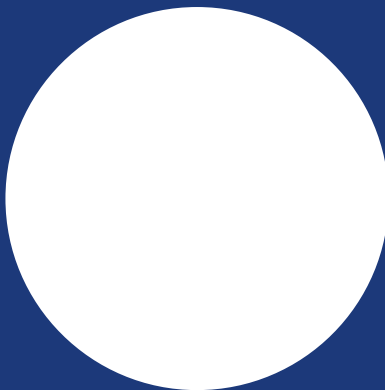

Water Company requests your help in completing this important survey to document the material of your water service line from the water meter to just outside of your house or business. Water Company is asking this information to determine if there are any lead service lines in the resident's service lines and for the completion of a lead service line inventory.

This survey may be completed through one of the following methods:

-  **MAIL:** Back of this postcard
-  **PHONE:** (800) 674-7961
-  **EMAIL:** support@120water.com
-  **IN-PERSON:** Water Company Office
Your Mailing Address
-  **ONLINE:** Your website

FOR HELP OR TO LEARN MORE GO TO: bit.ly/EPAleadcheck

Water Company requests your assistance in completing this survey. At your convenience, please answer all questions and detach the survey along the perforated edge. Once completed, simply place the detached survey in your mailbox or drop it off in your nearest postal drop box or Water Company!

If you have questions regarding this survey:

PLEASE CALL 1-800-674-7961

Complete. Tear. Mail.

My water service line—from the water meter to just outside of my home or business—is best described as one of the following:

- | | |
|---|--|
| ☐ Lead | ☐ Unknown |
| ☐ Galvanized steel | ☐ I am unsure and would like someone from Patriot Water to assist me in identifying the material. |
| ☐ Copper | |
| ☐ Plastic | |
| ☐ Other: | |

I have determined my service line material as follows:

- | | |
|--|---|
| ☐ I have observed the material and know what it is. | ☐ It is my best guess. |
| ☐ I have been provided some form of documentation of the water service line material. | ☐ Other |

My house or business was built in one of the following time periods:

- | | |
|--|--------------------------------------|
| ☐ Prior to 1960 | ☐ After 1988 |
| ☐ 1960 to 1988 | ☐ I am unsure |
